Rare Jewel of Christian Contentment Jeremiah Burroughs,2001-03 Anyone who lacks true contentment may find it in this book If not it will be because that one would not follow the very clear and simple instructions given The teaching is from the Bible yet it must be described as unique Nowhere else will you find such unusual but Biblically authenticated thoughts He will teach you that contentment lies in subtraction not in addition that the ABC s of Christianity are nothing like what you thought them to be that there is a mystery of contentment but that once you have learned the way from Christ s word you will be able to attain such a depth of contentment as you never before dreamed existed Book jacket *Many Will Say* John Mackay, My aim in writing this book is to alert people to the possibility that as in other important matters we are liable to be mistaken it is no different for spiritual issues In fact with the devil trying his utmost to make us err it is even more likely to occur spiritually The writing uses as its centrepiece one particular verse from the book of Matthew but it also draws from the surrounding context in the chapter and associated evidence in adjacent chapters It draws on the broad themes contained in the text to illustrate issues relevant to the subject of gospel interpretation **The Works of Flavius Josephus** Josephus Flavius,William Whiston,2025-08-05 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Works of the Rev.
