upon my list was Mont Pelvoux in Dauphine The sketches that were required of it were to celebrate the triumph of some Englishmen who intended to make its ascent They came they saw but they did not conquer By a mere chance I fell in with a very agreeable Frenchman who accompanied this party and was pressed by him to return to the assault In 1861 we did so with my friend Macdonald and we conquered This was the origin of my scrambles amongst the Alps The ascent of Mont Pelvoux including the disagreeables was a very delightful scramble The mountain air did not act as an emetic the sky did not look black instead of blue nor did I feel tempted to throw myself over precipices I hastened to enlarge my experience and went to the Matterhorn I was urged toward Mont Pelvoux by those mysterious impulses which cause men to peer into the unknown Not only was this mountain reputed to be the highest in France and on that account was worthy of attention but it was the dominating point of a most picturesque district of the highest interest which to this day remains almost unexplored The Matterhorn attracted me simply by its grandeur It was considered to be the most thoroughly inaccessible of all mountains even by those who ought to have known better About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Edward Whymper, 1872      **Scrambles Amongst the Alps** Edward Whymper, 1866-09-01 When he first saw the Alps in 1860 Edward Whymper was a 20 year old English wood engraver whose dream was to become an arctic explorer Ambitious and hungry for adventure he fell in love with the challenge the Alps presented and set out to conquer them peak by peak Whymper made quick work of the challenge racking up dozens of first ascents and acquiring a reputation as one of the best in the nascent field of mountaineering But on the Matterhorn considered to be mountaineering's Holy Grail at the time Whymper met with failure again and again On his eighth attempted ascent he finally succeeded becoming the first man to reach its magnificent peak The victory came at a heavy cost however as Whymper watched four of his companions fall to their deaths on the descent It was a tragedy that would cast a shadow over the remainder of his life Published in 1871 Scrambles Amongst the Alps is Whymper's own story of his nine years spent climbing in the Alps One of the first books devoted to the sheer thrill of mountaineering it is a breathtaking account of the triumph of man over mountain in a time before thermal clothing nylon ropes global positioning systems and air rescues It also offers Whymper's controversial story of the tragedy on the Matterhorn One of the best adventure books of all time **Scrambles Amongst the Alps in the Years 1860-1869, by Edward Whymper ...** Edward Whymper, 1871      Scrambles Amongst the Alps in the Years 1860-69 ... with
