Sears Maintenance And Repair Phone Number:

SERVICES MARKETING R. SRINIVASAN, 2014-08-01 Services are widely used by people practically in all aspects of life. The globalised era is seeing services being used by a wide cross section of society from the corporate to the man. The Fourth Edition of the book educates its readers about how marketing strategies are changing and evolving through times. The new edition comes with updated case studies on various service sectors such as Hospitality and Tourism. Thomas Cook, Karnataka State Tourism Development Corporation, KSTDCLtd and Cafe Coffee Day. A new case study Indian Airline Industry has also been introduced to add to the diversity of services. Finance, Credit Card Business of Standard Chartered and Information Technology are also updated. Infosys and SAP. The cases set within the Indian context lend a practical dimension to the subject, familiarizing the students with the developments in the Services Marketing area in India. The new edition with its emphasis on recent data and the contemporary Services Marketing scenario is an ideal companion for the budding managers. It should also be of great use to the practising managers attending various Management Development Programmes (MDPs) and Executive Development Programmes (EDPs). New to this edition, a new case study Indian Airline Industry has been introduced. All case studies of the previous edition have been updated with latest information and developments in the company. Chapter 2 and Chapter 15 of the book have been revised with latest data and illustrations.

Service Management Jay Kandampully, 2011-12-09 Great retailers are great at service. No exceptions. This book offers a wealth of insight into delivering excellent retail service. Leonard L. Berry, Distinguished Professor of Marketing, N. B. Zale Chair in Retailing and Market Leadership, Mays Business School, Texas A M University. With a growing understanding of service as a phenomenon and perspective of business and marketing, retailers are increasingly seeing the need to transform from distribution of products to service providers. This book includes considerable insight regarding the importance of the service perspective and how it can be implemented in retailing. Christian Gronroos, Professor of Service and Relationship Marketing, CERS Centre for Relationship Marketing and Service Management, Hanken School of Economics, Finland. Consisting of chapters written by leading scholars in service management and retailing from around the world, this comprehensive book offers rich insights for how retailers can excel and achieve sustainable competitive advantage by invoking and implementing service management principles. This enlightening book is a valuable resource for students, researchers, and practitioners with an interest in retailing. A. Parasuraman, Professor of Marketing, The James W. McLamore Chair, School of Business Administration, University of Miami, Coral Gables, Florida. Service excellence and service innovation are critical for success in today's competitive retail marketplace. *Service Management: The New Paradigm in Retailing* provides a contemporary and transformative lens for accomplishing these essential goals. Mary Jo Bitner, Professor, Director, Center for Services Leadership, W. P. Carey School of Business, Arizona State University.
