of Fielding knows he's flawed. He's arrogant, possessive, and haunted by a terrible choice he made long ago. So when a former friend's daughter gives him the chance to do a good deed, he grabs it. Except he'd like to grab her as well and teach her a thing or two about kissing. If only she weren't so damn stubborn. Ida Strong wants one thing: justice on behalf of her father. She has no room for anything else in spite of her growing and at times inexplicable attraction toward a certain earl. But for a woman who knows what betrayal tastes like, placing her trust in others is hard. Risking her heart would be downright foolish. Until it's the only thing that seems to make sense. *Mr. West and The Widow* Sophie Barnes, 2023-03-21

He's a powerful landowner. She's an irresistible wallflower. For nearly a year, Victoria Leighton has shut out the world. Her sole focus has been on paying off the debt she inherited from her husband and securing a comfortable income. Unaccustomed to independence, to stepping out into Society and getting noticed, she ignores the cravings of her heart. Until a stranger arrives on her doorstep and presents her with a daring invitation. Colin West hates complications. But when he seeks shelter from a storm and meets a reclusive widow, duty compels him to save her from her self-imposed prison. Soon he's hosting a house party and doing his best not to fall for the kindhearted beauty. To do so would be disastrous. For if the scars he received in war have taught him anything, it is that he is incapable of instilling desire in any woman, never mind love. *A Duke's Introduction to Courtship* Sophie Barnes, 2023-09-26

Love caught him completely off guard and forced him to question everything. When Brody Evans, Duke of Corwin, goes incognito at a printing press, he doesn't anticipate meeting Mr. Michaels, a charming young man with whom he shares an instant connection. Soon he's questioning everything he believed to be true of himself while losing his heart in the process. Accepting the way he feels is not only hard, it's also illegal and downright dangerous. Until he learns the truth and is forced to wonder whether or not the person he fell for is real or just an illusion. Dressed as a boy, Harriet Michaels acquires a job at a printing press so she can support herself and her younger sister. It seems like a good idea until she meets Mr. Evans, the new assistant editor. Her attraction toward him cannot be denied, but it must be concealed if she's to avoid detection and the risk of losing her job. The more time she spends with him, however, the closer she comes to heartache and ruin. For as it turns out, Mr. Evans is not who he claims to be either. **A Duke's Guide to Romance** Sophie Barnes, 2023-08-29

He only wanted to purchase a novel, now he's falling madly in love. Anthony Gibbs, Duke of Westcliffe, needs an income. Bills must be paid, appearances kept, and arrangements made for his sister's debuts. In short, he must either marry or seek employment, neither of which sounds remotely compelling. But then he meets Ada, and she suggests a third option. Now he's penning a novel while losing his heart to the bookish miss. A woman he cannot afford to marry unless he's prepared to make some difficult choices. Ada Quinn has no connections, no dowry, and consequently no prospects. Her plan for the future is limited to her skill as a bookbinder. Until Mr. Gibbs walks into her uncle's bookshop and starts to romance her. Handsome, thoughtful, and utterly charming, Mr. Gibbs is precisely the sort of man Ada always dreamed of falling in love with. Until she discovers he's not who he claims to be and that he intends to marry another. *Only The Valet Will Do* Sophie
