The Stud Palace:

Midnight at the Cinema Palace Christopher Tradowsky, 2025-06-10 This tender exuberant novel about a young man navigating coming of age in 90s San Francisco is for readers of Garth Greenwell and Andr Aciman Walter Simmering is searching for love and purpose in a city he doesn't realize is fading away San Francisco in 1993 at the height of the AIDS epidemic and the dawn of the tech revolution Out of college out of the closet and transplanted from the Midwest Walter is irresistibly drawn from his shell when he meets Cary Menuhin and Sasha Stravinsky a dynamic couple who live blithely beyond the boundaries of gender and sexuality Witty and ultra stylish Cary and Sasha seem to have stepped straight out of a sultry film noir captivating Walter through a shared obsession with cinema and Hollywood's golden age As the three embark on adventures across the city filled with joie de vivre their lively friendship evolves in unexpected ways When Walter befriends Lawrence a filmmaker and former child actor living with HIV they pursue a film project of their own with hilarious and tragic results Midnight at the Cinema Palace is a vibrant and nostalgic exploration of young souls discovering themselves amidst the backdrop of a disappearing city Christopher Tradowsky's astonishing debut captures the essence of 90s queer culture and the complex lives of friends seeking an aesthetically beautiful and fulfilling way of life **Parliamentary** Reports from Committees Great Britain. Creighton, Robert Liddiard, Alan K. Outram, Carly Ameen, Kate Kanne, 2025-02-24 The image of the armoured knight mounted on his charging warhorse is one of the most evocative of the Middle Ages As distinctive symbols of social status horses were central to the medieval aristocratic image and closely bound up with concepts of knighthood and chivalry while as weapons of war bred for size strength and stamina they changed the face of battle Drawing upon new interdisciplinary research this volume presents a fresh perspective on warhorses and medieval horses generally in Britain understood within its wider European context It adopts an integrated approach that covers the full array of evidence for medieval horses from their physical remains bones teeth and DNA equipment and armour through to visual sources such as sculpture and wall paintings and documentary and landscape evidence for the environments in which they were bred and trained Analyses of these sources of information are first presented individually and then integrated and cross compared with the historical record to present a new chronology of horse stature conformation and appearance and to generate new understandings of the changing place of the horse in the medieval world **Truth** ,1889 **Accounts and Papers of the House of Commons** Great Britain.
